## LINCOLN FIRE AND RESCUE PARTICIPATES IN THE ALL 4 KIDZ EXPO

Lincoln Fire and Rescue's Division of Public Education participated in the first ever All 4 Kidz Expo at the Lancaster County Events Center on January 28 through the 30<sup>th</sup>.

Organizers estimate 4 thousand children and their families attended the three day event that featured games for the kids and informational booths for the parents.

The new Lincoln Fire and Rescue public education van served as a backdrop for some of the many staged events at the expo. The public education van was purchased with federal grant dollars that LF&R received to educate at risk populations about fire safety.

The project targets children under 14 and their families. The brightly colored van will be used to pull a new fire safety house for kids which will arrive in Lincoln in March. The fire safety house was also purchased with federal grant dollars.
